3 Important Things

- 1) Diversity
- 2) Development
- 3) Direction

Diversity

“Diversity is the one true thing we have in common.”

“...can result in creative solutions for problems and better organisational productivity.”

“to best serve the market one must “employ the market.””

Development

Courses from CloudCredo:

- 1 - Cloud Foundry for Beginners: from Zero to Hero
- 2 - Microservices on Cloud Foundry: Going Cloud Native
- 3 - Operating a Platform: BOSH and Everything Else
